You can not trust them to go shopping because they are gone forever. They also will take 3 hour lunch breaks. They do not like to be criticized. You will be told you are nit picking. The crew is too young.

We were very pleased with the tub, it did meet all of our expectations and exceeded some. We would recommend them to others. We have already had people ask where we purchased the tub.

Like I stated prior, we had a few issues and they resolved them as quickly as possible. I am very well satisfied and love the product. I am not sorry that I choose this company and would recommend them for anyone I knew that was looking to purchase one. The comfort of bathing safely is a worry off our minds.

The HCI Get-A-Pro shower makes you feel more
secure and safe with the features like a shower seat
and shower bars. The quality is really nice and the
shower's appearance is great. We are satisfied with
everything.
