Renato was pretty good at adjusting our problems. I need to call him to come back because there are some areas that need to be fixed again.

REVIEW Our remodeling project with ProPainting and  
Nancy S. Remodeling had some of everything: totally  
Suwanee , GA remodeled master bath, new countertops and  
Nov 07, 2017 backsplash for kitchen, and lots of painting. They  
★★★★★ were professional, hard-working, communicative, and  
on-time. I would highly recommend the company,  
especially Bob as your project lead. He was always  
there with information, answers to questions, advice,  
and an easy laugh to break up the days of paint fumes  
and dust. You won't be disappointed.

REVIEW Incredibly professional. ProPainting and Remodeling  
Mark G. is responsive, responsible, and easy to work with. I  
Duluth, GA strongly recommend. ProPainting and Remodeling is  
Mar 09, 2017 my go-to for home improvement from here on out! I  
★★★★★ have referred the company to others who have also  
been highly satisfied.

I was most satisfied in terms of how easy it was to keep it going, and I never felt like I had to chase anyone down to get something done. I feel like you have to chase down a lot of other contractors. When he came to me with the contract, he presented everything so clearly, and he followed the contract and scheduled everything. I was very pleased.
